### Notes:

- This preliminary programme is subjected to change.
- This programme is aligned at the regular Wetskills programme (for students and graduates), organized in Cape Town from 15-28 June 2018. Wetskills is a proven concept and organized among the globe. Some parts and activities will be together. See [wetskills.com/event/wetskills-south-africa-2018/](http://wetskills.com/event/wetskills-south-africa-2018/).
